Fond Farewells

We wish all of our Year 6 pupils a fond farewell and all the very best for their futures as they leave us and make their first steps on to high school. It is very sad to have to say goodbye but we know that they will go on to even greater achievements throughout their lives.

We wish Mrs Merriott all the very best in her new role. Many, many thanks to her for all of her tireless hard work and commitment to the school throughout the six years she has been with us. Her dedication and desire to achieve the very best for the children in our school has been fantastic. Mrs Merriott was presented with a leaving gift at our end of term Mass this morning on behalf of the whole school community.

Mr Hardy is retiring from the school staff but will not be completely absent from school as he will continue to teach keyboards and piano in September. He has been a teacher here for 30 years and has brought so much joy and energy to strengthen the life of the school. In particular, Mr Hardy has helped ensure that the children of St Mary and St Peter have the chance to worship and celebrate their faith through singing and he has been a much-loved figure of the school and church community through his work and support in this. We wish him all the very best for his retirement from the school staff. Mr Hardy was presented with a leaving gift at our end of term Mass this morning on behalf of the whole school community.

Achievements

As you many of you will be aware, at the end of primary school in Y6 the children have a week in May of sitting the Department for Education's SATs tests. Our current Y6 class have had two and half years of learning in the new curriculum which is tested through these tests. They have shown the most amazing learning attitudes throughout the entire time they have been with us and it is a real testament to themselves, their families and the school staff as to how they have stepped up to meet the increased expectations of this new curriculum and tests. Fantastically, the class have scored an absolutely amazing 81% pass rate across all of the key subjects, (the combined measure of Reading, Writing and Maths). This is even more impressive as it is 20% higher than the national average of all primary schools in England in this combined measure which was 61%. Well done to you all.

Clubs

Details of all clubs for September 2017 have been sent home with your child today.

Breakfast Club will commence Wednesday 6th September 2017 (first day of term). If your child is attending Breakfast Club on Wednesday 6th September please ensure you have booked using Wisepay no later than 1.00 pm on Tuesday 5th September 2017.

All other clubs will commence Monday 11th September 2017.

All bookings for clubs and dinners can be made on Wisepay from Friday 1st September 2017.

Year 5 Notre Dame Visit for science workshop

Our day in Notre Dame was AMAZINGLY FUN AND INTERESTING! Especially since we got to use year 7 science equipment such as microscopes, viewers and test tubes. It was AMAZING! - Rayhan and Grace

Carnival Week

We have had such a great time this week in workshops and performances for our Carnival of Culture. Circus Ferrell have been resident with us all week and this has really brought a very special dimension to the school and added that extra special element to bring awe and wonder to all of the school. Thank you so much to all of you who have helped make our Carnival of Culture week such a positive and successful learning experience for the children. The shows were fantastic and your support of these as well as the two evening shows put on by Circus Ferrell themselves was truly fabulous, thank you. I am so pleased that we were able to have so much to enjoy and celebrate together as a school community.

And despite the bad weather, our Summer Fair was a great success. Again, this was down to you as parents and friends of our school community coming together to make it such a great experience for the children. Many thanks indeed go to all of the staff across the school who have worked incredibly hard to help this all come together and be such a great experience.

The amount raised from the performances and the summer fair was an amazing £220.13 which will go to the school fund to support future activities for your children. Your kind donations are very much appreciated indeed.

Happy Holidays

I hope all of our children and their families, staff and friends of our school have a fun and relaxing summer holiday. As ever we would like to thank all parents for their continued support to the school.

See you all on Wednesday 6th September 2017 for the start of the autumn term.

All reception children will start on Thursday 7th September mornings only and should refer to the previous letter regarding subsequent dates.
