## Nursery Class Letter – Autumn Term 1 2017

Monday 9<sup>th</sup> October 2017

Dear Parents and Carers

### **Learning**

During the remainder of this half term the children will be learning about autumn time.

**Autumn:** We will be sharing the texts 'Seasons' by Claire Llewellyn and 'Guess How Much I Love You in the Autumn' by Sam McBratney. Following this the children will go on a walk around the school grounds, looking for signs of autumn and comparing natural features in the environment to other seasons. Cameras and iPads will be used by the children to capture images of what they see. The children will devise their own autumn pictures and use spoken language to talk about their creations.

Please continue the learning on autumn at home by taking your child on an autumn walk and talk to them about what you see together. Children are invited to bring in photos or actual items that they find on their walks to share with their peers.

Have a look at this website to learn a song about seasons. <http://learnenglishkids.britishcouncil.org/en/songs/the-leaves-the-trees>

### **Partnership Working**

I will be holding some parent / carer meetings during the next week to discuss how your child has settled into nursery and to share your child's individual next steps in learning. Please sign up for a convenient time slot on the nursery notice board.

Thank you for your continued support
