

How to use the takeaway menu:

This takeaway homework menu is designed to help you explore some of our school topics in more detail at home and choose what you would like to do for homework.

Over the next six weeks, you will need to choose *at least* one starter, one main course and one dessert activity to complete in your own time.

A starter is designed to help you review some of the work that we have done in lessons; a main course will take you longer to complete and will give you the opportunity to research topics and be creative with your writing; and your dessert will allow you to use your imagination freely.

Once you have completed each of your activities, bring your work in to school so that it can be displayed in the classroom exhibition. It is up to you when you do each activity, but you must make sure that you have handed in three pieces of work **by Wednesday 7th June**. You may complete them in any order, which means you can have dessert before your main course if you wish!

Bon appetit! 😊

Takeaway Homework

Summer Menu

Starter:

- Write a summary about something you have learnt in school this half term, which you have enjoyed.
- Find and weigh some household items. Which of them weigh more than 3kg and which weigh less?
- Create a timeline of significant events in Ancient Greek history.

Main course:

- ▶ Keep a diary for at least a week. Write about your days in as much detail as possible (you might want to save this activity to do over the half term!)
- ▶ Write a Greek myth in your own words, i.e. Pandora's Box, Theseus and the Minotaur.
- ▶ Create a fact file or information leaflet for the Eden Project.

Dessert:

- Create your own mythical bird, like the Firebird.
- Create a comic strip for your favourite Greek myth.
- Design your own biome.
