Year 3 Curriculum News

In maths we have been learning about 3D shapes and we were trying to make them of small marshmallows and spaghetti sticks. In English we have been learning how to write a diary entry and we wrote the main key for what you need in a diary entry. In RE we have been learning about why Walsingham is important. By Vanessa and Courtney.

Library Launch

We are excited to be launching our newly refurbished school library on Tuesday 23rd May 2017. The new library will be officially opened by the Mayor of Great Yarmouth during the school day.

As part of the launch we have a range of reading related activities planned including:

- Norfolk Children's Book Centre book sale in the school hall from 2:30pm – please do visit and come and find a great read to enjoy with your child
- Gorleston Library team to visit school to promote and support anyone who would like to sign up for local library membership

We will let you know more about how you can come and visit the new library and enjoy sharing books with your child.

Y6 Greatness

A big 'shout-out' to all of the children in our Y6 class who have completed their KS2 SATs tests this week. They have shown an incredible amount of greatness in all of their work this year to help them prepare well and have such splendidly positive mindsets. Well done to you all – you're superb examples of the greatness that we are aspiring to everyday in our school.

Sponsor a Book

We are offering the opportunity to sponsor a book in our new school library. The cost of sponsoring a book is a minimum of £5.00 or a personal donation of any amount greater than this would be amazing. Once a donation is made your child will be given the opportunity to pick a book from the library and book plate will be placed on the inside cover of the book giving details of who sponsored the book. Further details of both the library launch and sponsor a book will be shared with you in a separate letter.
