### Year 1 & 2 – Gressenhall Visit

We really enjoyed our trip to Gressenhall. Sophia's favourite part was seeing the sheep and Liam L's favourite part was seeing the chickens and milking the cow. We learnt a lot about what life was like on the farm and even washed some clothes! By Year 1

When we went to Gressenhall we watched the lady use something called a pump and it pumped water. After that we learnt how to milk a cow and we saw a big type of horse called a Suffolk Punch and some lambs. By Layla Yr 2

### Celebrate Conference

I am writing to tell you about the Celebrate Conference (June 2nd - 3rd) which the Diocesan Youth Service help run: It's a faith-filled, family friendly conference for children and their parents. It includes inspiring talks, workshops, praise and worship music, performing arts and opportunities for prayer. Bishop Alan will be joining us to celebrate Mass on one of the days.

There are four individually tailored programmes for young people of different ages, from Lower Primary right up to Sixth Form. Two of the programmes are run by our Ignite Team. There is also a room (full of toys!) for parents with babies and very young children where the talks from the main hall are relayed by video link.

Come and celebrate your faith! For more information and to book, please see [www.celebrateconference.org](http://www.celebrateconference.org) and click on 'East Anglia' for more information.

### Messages for School

Please ensure any messages for school are recorded in your child's school diary at the start of the day.

If there is a late change of end of day arrangements please call the school no later than 2.30pm to ensure the messages can be sent to class.

Thank you for your cooperation with this.

**We seek to inspire in children the joy and wonder of learning, through cherishing, nurturing, supporting and challenging each one, whatever their talents and needs. As we journey together with Christ, we aim to develop in all children intellectual curiosity, creative endeavor, compassion for others and the courage to act on their beliefs.**

**Neighbours**

We have again had a series of complaints from our neighbours regarding parking, verbal abuse and pupils urinating in their gardens. The neighbours have contacted the local police regarding these matters but we ask please be considerate to our neighbours. Unfortunately a small number of parents are putting the good name of the school in jeopardy. Please support us in working alongside our neighbours to ensure a good relationship.

**Children’s University Passports**

All Children’s University Passports must be brought into school on the last Monday of each half term to be updated for the terms activities. Passports which are not brought into school will not be updated the following terms for previous clubs/activities due to the administration involved. We are very keen to encourage our children to take part in this activity so please help us to manage the work involved by bringing in passports by the Monday deadline. A reminder is included in the dinner text which will be sent on the Sunday evening prior to this.

**Medicines**

We have had a number of children bring medicine or throat lozenges into school and keeping them in their bags. The school policy is that all medicines and throat lozenges should be brought to the school office and a medicine form completed. Please help us with this.

***This week our prayer is: -***

May the risen Christ  
fill your heart with joy  
bring you new hope,  
and bless you with peace, Amen.  
Happy Easter
