“How high can we go?” challenge for Lent

Dear Parents and Carers

We have now entered the Church's season of Lent. Lent is a time when Christians prepare for the joy of Easter. Lent gives Christians time to grow in their faith and get closer to God. During Lent, traditionally people are called to:

- PRAY – to spend more time to our relationship to God
- FAST – to try to think less on the treats of life, those things we do not really need, and to think more on God and on the needs of others;
- GIVE ALMS – to give of what we have to those who are in need.

A group of our children are working together as a charitable fundraising group called 'Mini Vinnies.' They have already been thinking about what they can do to help others during Lent and are asking all classes to help them. Please can you read their appeal below, and support this worthy cause.

We would like to raise money for the local air ambulance, because they help people who are urgently in need of medical care. Each class has been given a long tube to try to fill with coins. The classes will be in competition to see who can use the coins to fill their tube the highest. So, please give your child any spare coins that you have, for this great cause. They can bring coins in all the way through Lent.

Dominik and Deona (on behalf of the Mini Vinnies)
