

St Mary and St Peter's Catholic Primary School

Curriculum overview in Y2 for Spring Term 1

Religious education

This half term in RE we will be exploring the story of John the Baptist and the baptism of Jesus. We will also be learning about The temptation in the wilderness and the miracles of Jesus. We will be investing the themes of temptation and forgiveness.

Music

In music this half term we are going to be learning about scales in music. We will be using songs and instruments to explore and practice scales.

Computing

In computing we will be learning about digital music. We will be listening to different musical pieces and using computers to create our own music.

PE

This half term we will be exploring sending and receiving. We will practice passing and catching in different games and how we can work together to be successful. On Mondays, we will be practicing the fundamentals PE, including movement, speed and direction.

English

This half term we are investigating adventure stories and Non-Chronological reports. We will be reading 'The Barnabus project' by The Fan Brothers. We will be learning the features of a non-chronological report and writing our own. We will also be using expanded noun phrases and conjunctions to make our sentences longer and more interesting.

Maths

This Half term we will be finishing our unit on Multiplication and division. We will be using arrays and grouping to help us with multiplication, as well as practicing the 2,5, and 10 times tables. We will also be using the grouping and sharing method for division and looking at how to break down word problems.

Geography

In geography this half term, we will be answering the question 'where in the world is Mexico?' We will be using atlases to locate Mexico, exploring the climate and investigating how the people of Mexico live. We will be comparing Mexico to the UK and exploring the different human and physical features.

Topic- Science

In science we will be investigating **plants**. We will be categorizing different types of plant, exploring the parts of a plant and what a plant needs to grow. We will be experimenting with growing our own plants and recording our results.

Art

In art this half term we will be experimenting with Painting. We will be looking at the works of Monet and using his style and technique to paint a variety of plants.
