

**In the spirit of Poppy the Pōpokotea, the Mini Vinnies would like to support the hard work of the ACN (Aid to the Church in Need).**

We held a whole school assembly on Monday to raise awareness of the ACN's effort in supporting suffering Christian around the world. We have asked each class to fill up a plastic milk bottle with coins next week. The winning class will receive a certificate and an extra play for their generosity.

**Please bring in any coins you are spare. Every penny makes a difference.**
